In compliance with the provisions of Article 53 of Law 142 of 1994, it makes public the evaluation of the External Audit of Management and Results

REPORT OF THE EXTERNAL AUDITOR OF MANAGEMENT AND RESULTS

June 27th of 2025
To the Superintendence of Public Utility Services

In compliance with the provisions of Article 51 of Law 142 of 1994, as partially amended by Law 689 of 2001, we have carried out the audit of management and results of ECOPETROL S.A. – Gas and LPG Business Units for the year 2024. We conducted our examination in accordance with the provisions of Resolution No. 20211000555175 of October 5, 2021. The management and results of ECOPETROL S.A., specifically those of the Gas and LPG Business Units, are the responsibility of the Company's Management. Among our functions is the issuance of a report containing evaluative observations on the Company's management based on our audit

Based on the audit conducted in accordance with the methodology described above, we hereby report the following:

- a) We did not observe any significant situations that could jeopardize the financial viability of the Company's Gas and LPG Business Units.
- b) Based on the procedures performed, we did not identify any material risks related to the technological, operational, and commercial aspects evaluated.
- c) According to the assessment of Ecopetrol's risk management, we found no evidence indicating that the Company is failing to identify and assess the risks that could affect the provision of Gas and LPG services.
- d) The aspects evaluated in the audit are included in the final report submitted to the SSPD and reported to the SSPD's Single Information System (SUI).
