It is part of the Committee's purview to know about, understand, and analyze, within the framework of its duties and beforehand, the matters that will be submitted for the consideration of the Board of Directors and, as appropriate, will issue its recommendations so that it can adopt the decisions that may arise.

Article 2. Scope of application. These regulations will be of general and mandatory application for the members of the Corporate Governance Committee. Additionally, in the fulfillment of their duties and responsibilities, the members of the Committee shall observe the operating principles contained in the Internal Regulations of the Board of Directors.

CHAPTER 2: COMMITTEE STRUCTURE

Article 3. Structure. The Corporate Governance Committee will include at least three (3) members of the Board of Directors, who will be appointed thereby for periods of four (4) years.

The majority of its members must be independent. The members of the Committee must have training or experience in matters related to their duties.

The duties of the members of the Committee will cease, always, upon the completion of the period for which they have been appointed, by decision of the member of the Board of Directors to not continue on the Committee or if they cease to be a member of the Board of Directors of Ecopetrol.

Section. For the appointment of its members, in the case of members of the Board of Directors who have been re-elected, the Board will consider the results of the assessment made by the Board of Directors.

Article 4. Chairperson of the Committee. The members of the Committee will elect its Chairperson from among its members, who must be an independent member and will preside over the meetings. They will be elected for periods of four (4) years.

The Chairperson of the Committee will act as a representative of the Corporate Governance Committee before the Board of Directors and therefore will report thereto regarding the obligations assigned to the administration, the recommendations for the Board of Directors, and the matters discussed within said Committee.

Article 5. Secretary of the Committee. The General Secretary of the Company will act as Secretary of the Corporate Governance Committee, or whoever acts in their stead, and will be in charge of convening the meetings, coordinating the logistics needed for the celebration thereof, the review and update of the commitments and the preparation of the corresponding minutes.

The meetings of the Committee may be held at the domicile of the Company or in the site established thereby, or in a remote manner, through the previously defined mechanism on the date and time it so determines. When all the members of the Committee are gathered, in-person and/or remotely, they may constitute a session thereof, without a prior convening, if they so agree unanimously.

Minutes approved by the same Committee will be prepared after the meetings and will be signed by hand or electronically. In the case of in-person meetings, said minutes will be signed by the Chairperson and Secretary of the Committee. In the case of remote meetings or if other decision-making mechanisms were implemented, said minutes will be signed by the President of Ecopetrol and the Secretary of the Committee.

The extraordinary meetings will be convened by means of a call notice sent to each of its members no less than five (5) calendar days in advance of the meeting date. Said communication may be sent through any suitable means.

Article 9. Deliberative and Decisive Quorum: The Committee may validly deliberate as long as at least two (2) of its members attend the meeting.
