

Decisions of Ecopetrol's Board of Directors

Bogotá, July 23, 2026

Ecopetrol S.A. (BVC: ECOPEPETROL; NYSE: EC) announces that, by communications dated July 23, 2026, Ms. Ángela María Robledo Gómez and Ms. Tatiana Roa Avendaño informed the Company of their decision to resign from their positions as independent and non-independent members of the Board of Directors, respectively, for personal reasons, effective July 31, 2026.

Ecopetrol expresses its gratitude to Ms. Ángela María Robledo Gómez and Ms. Tatiana Roa Avendaño for their leadership, integrity, valuable contributions, and unwavering commitment to the Company. Ecopetrol also recognizes their dedication to local communities, environmental stewardship, sustainable development, and their meaningful contributions to the Board of Directors. The Company wishes them continued success in their future personal and professional endeavors.

In accordance with Ecopetrol's bylaws, the Board of Directors may continue to deliberate and validly adopt resolutions with its remaining members. The foregoing is without prejudice to the possibility of convening the General Shareholders' Meeting to restore the full composition of the Board of Directors, in accordance with applicable law, the Company's Bylaws, the Board Succession Policy, and other applicable regulations.

Ecopetrol is the largest company in Colombia and one of the main integrated energy companies in the American continent, with more than 19,000 employees. In Colombia, it is responsible for more than 60% of the hydrocarbon production of most transportation, logistics, and hydrocarbon refining systems, and it holds leading positions in the petrochemicals and gas distribution segments. With the acquisition of 51.4% of ISA's shares, the company participates in energy transmission, the management of real-time systems (XM), and the Barranquilla–Cartagena coastal highway concession. At the international level, Ecopetrol has a stake in strategic basins in the American continent, with drilling and exploration operations in the United States (Permian basin and the Gulf of Mexico), Brazil, and Mexico, and, through ISA and its subsidiaries, Ecopetrol holds leading positions in the power transmission business in Brazil, Chile, Peru, and Bolivia, road concessions in Chile, and the telecommunications sector.
